

8th Geometry - Bliss

This week you will be working on Khan Academy, an online math resource. I have created a “classroom” on Khan. You will need to make an account and join my class so that I can see your progress. On this site you will watch videos, practice and take quizzes.

To be sure that what you are doing is being recorded, I would recommend doing one video and practice, and then texting me to check if it is showing up on my end. My number is 850-982-8720. Feel free to text with any questions you have.

Here’s how you join:

How to join your teacher's Khan Academy class

- 1 Go to khanacademy.org/join
- 2 Enter your class code and press “Add”.
Class code: _____
- 3 If you don't already have an account, press “Create a new account”. Enter your date of birth, then sign up using Google, your school email, or by creating a username.
- 4 Enter your grade and course. Now you're ready to start learning!

The class code is: **MHSVGBQH**

The class is called: **Bliss 8th Geometry - High School Geometry**
Assignments will be posted on the Khan website.
